Jennifer,

This is in reference to your question regarding liability coverage for property damage (section D.)

Subject: Re: Certificate of Insurance Clarification

Mark,

Is this in reference to contents coverage or liability insurance? They do have \$1,000,000 per occurrence and \$3,000,000 aggregate for liability under the policy. The concern is the huge amount of contents coverage that is being required.

Thank you,
Jennifer

Jennifer,

I spoke with the State of Georgia's Division of Risk Management and they are recommending a primary of \$1,000,000 and a blanket of \$2,000,000.

Good Morning Mark,

I'm working with Christina to get the certificate of insurance completed for you. According to the insurance requirements attached, section D is asking for \$3 million in contents coverage. Is this truly what they need? They currently carry \$10,000 in contents coverage. If we were able to even get approval from the insurance company to insure for \$3 million, the cost would be astronomical. Many of our large accounts don't even carry this amount of coverage for contents.

Thank you!
Jennifer

Ms. Middleton,

We require property damage insurance which would cover contents and damage to LRG's property.
